As College Professors rarely know much beyond the somewhat limited lines of their own associations, Dr. Osler was probably right when he advised that all men over sixty years of age should be chloroformed.

When the Czar declared that the war must continue, probably he referred to the war with Japan; and yet the only subsequent activities of his brave troops have been directed against half-starved workmen and defenseless school-girls. Over these unarmed hosts the Cossacks won a signal victory.

PROBLEM FROM OLD MISSOURI.

Here's a problem that comes from Joplin. Can you figure it out? A man wanted a ticket to Olathe and only had a \$2 bill. It required \$3 to get the ticket. He took the \$2 bill to a pawnshop and pawned it for \$1.50. On his way back to the depot he met a friend to whom he sold the pawn ticket for \$1.50. That gave him \$3. Now, who's out that dollar?—Kansas City Star.

"You'll have to show me" unless it was the chap who bought the pawn ticket. But maybe Colonel SAM STAIRS, ARCHIBALD HAWKINS or SCOTT HUFFAKER can tell.

If they vote to accept, more than 9,000 bricklayers in New York will have their wages raised from 65 to 70 cents an hour, the highest wages ever paid by bricklayers in this country. Under this rate of wages it will be possible for a bricklayer to make \$67.20 a week, for during the busy season the men work 12 hours a day. For every hour overtime they get double pay, so for the extra 4 hours they receive as much as for the previous 8. And yet you hear of the poorly-paid American workman!

THE LEDGER admires industry; and it's real glad that it has spurred Colonel SAM STAIRS into active eruption. SAM is spitting tobacco juice to beat the band.

This is a pen-picture of J. EDWARD ADAMS, drawn by The Courier-Journal—

"ADDICKS, in his 36th year, now sees himself deserted by his friends and bereft of fortune. A suit was brought against him a few days ago on a bill for table supplies. He has mortgaged his home to pay a judgment against him in the Bay State Gas Company's troubles. Other judgments growing out of this litigation have not been paid. His barrel empty, this once powerful factor is to all intents and purposes down and out."

And this is the man that promoter STUART "discovered" to finance the late Burley Growers deal!

Down in Cincinnati "Independent" oil dealer named W. S. WHITE is printing fac similes of checks given by the Standard Oil Company to some of its customers for "rebates." In explaining one of these, Mr. WHITE says—

"In this case I kept the check to have positive evidence of these transactions, and paid the \$4.34 out of my own pocket. I was employed with the Standard at the time."

Perhaps the Standard Oil Company is just as "greedy" as its most virulent enemy declares; but what have you to say of a man who accepts his employer's money for the confessed purpose of betraying him? Old man ISCARIOR still lives!

In Louisville, Editor KNOTT was fined \$500 for "libeling" a saloon-keeper, and two days afterward the Grand Jury indicted this same saloon-keeper for the very offense that the Editor had charged against him. A day or so later a man who had confessed himself a murderer was dismissed, and another man, who had cut six or seven people in a saloon brawl, was allowed to go with a paltry fine of \$60. This shows that in Louisville, under the reign of AARON KORN and other criminals, the reputation of a saloon-keeper and gambling joint proprietor is held in higher esteem than human life. What a splendid "advertisement" this is for Louisville.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$2.00 bottles almost six times as much.

Curing That Grippe Cough!

Grippe leaves the lungs in a sensitive condition. "Grippe Cough" is the symptom of a violent inflammation of the air passages, that should be cured as quickly as possible.

There's no question as to the kind of remedy needed. It must be a healing, soothing, building, strengthening preparation that will remove the cause of the trouble. Ordinary narcotic cough syrups will not answer.

CHENOWETH'S COUGH SYRUP has just the action that any remedy must have to thoroughly cure grippe cough. It has a direct, specific effect on the mucous membrane of the air passages. We know of nothing better for coughs of this class, or, for that matter, for any kind of cough. We will refund your money if the remedy fails.

BUILDING UP TRADE

The Ledger Brings West Virginia Business to Maysville

Colonel R. B. Lovel filled a good big order of first-class groceries yesterday for a gentleman residing in Huntington, W. Va.

He said he read the Colonel's advertisement setting forth the excellence of his goods in THE LEDGER, and knowing by experience that what THE LEDGER says is so, he sent the order with confidence that he would receive the best in the market for the least money.

That he will not be disappointed in his comment goes without saying, and that he will stand to be a reader and a believer in the veracity of the People's Paper is a natural sequence.

Navigation is to be resumed today out of Cincinnati on the upper Ohio. The Stanley is to pass on tonight for Pomeroy, the Courier tomorrow for Vanceburg and the Tacoma down tomorrow for Cincinnati. All packet boats at Cincinnati, except the Bonanza and Virginia, went through the ice break-up practically unharmed. The Bonanza still remained beached Thursday. The Virginia is afloat, and will be repaired at the Marine Ways.

LYMAN H. HOWE'S NEW PICTURES.

Novelties come and go with every season; many disappear in a literal sense; those that lack something of art and originality, or daintiness, hence are failures. A few are "hits," so to say. They come in the field to stay. This applies especially to Mr. Howe's Moving Pictures, which will be presented at the Washington Opera-house soon. They are the ideal of perfection sought for in entertainment. Mr. Howe has a scrupulous regard for truth, and the advertisements and display announcements do not do full justice to the excellence of his entertainment.

HAPPY WOMEN.

Wouldn't any woman be happy. After years of backache suffering, Days of misery, nights of unrest, The distress of urinary troubles, She finds relief and cure? No reason why any Maysville reader Should suffer in the face of evidence like this:

Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's drugstore I was troubled with severe spells of backache, and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."

A Chicago Alderman Owns His Election to Chamberlain's Cough Remedy.
"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shanack, 220 South Peoria street, Chicago. "Two years ago, during a political campaign, I caught cold after being overheated, which irritated my throat, and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by all Druggists.

CHARLES F. CAMPBELL.

Do You Know Good
Healthy Sleep?

A healthy person sleeps a healthy sleep when tired.

When you find that half the time you can't sleep in the same old healthy way then it is time to take care of your nerves.

Tired nerves won't let you sleep well and won't let you feel well. They are sick; they demand attention and they won't let you alone until they get it. No prescription has ever been formulated that produced such wonderful and rapid results in building up tired nerves as Paine's Celery Compound.

Sleeplessness is simply one of the many warnings that tired, sick nerves give. Feed them with Paine's Celery Compound and you will build them back to their real strength and find again that good, healthy sleep—which should come as natural to-day as it did in childhood.

You can take Paine's Celery Compound once a day, or once a month, or four times a day, according to your need; and when the medicine has done its work and your system is again running in the complete harmony of true health, you can cease taking the medicine, and you will not miss it. The reason is that Paine's Celery Compound is a real food for the nerve. It feeds and strengthens the entire nerve fabric.

The force sent out by healthy nerves is nature's stimulus, to keep all the organs of the body working well.

It is by restoring the nerves and making new Nerve Force that Paine's Celery Compound works all its wonders.

Health, vigor, determination, courage—in fact, all that makes life worth living depends upon a healthy supply of nerve force.

Paine's Celery Compound makes new Nerve Force, it revives the old force and makes new. It not only does this, but by strengthening the nerves that control all the organs of the body, it cures the real cause of headaches, neuralgia, rheumatism, malaria, and the many diseases coming from a run down condition of the nerves.

Two days' treatment with Paine's Celery Compound will prove its marvelous power.

It braces you up and you feel its marvelous effect almost instantly.

A case of extreme nervousness and lack of good healthy sleep is told by Charles F. Campbell.

"I would jump at my own shadow. I suffered so from extreme nervousness. Every spring my condition was worse than the previous year. I was completely fagged out from loss of sleep, and a nervous wreck. Something had to be done or I would surely have gone crazy."

"A member of my family had taken your Paine's Celery Compound, and just for luck I took a dose of it one day. The details of my own cure would take too much time to relate, but it is sufficient that I consider that dose brought luck indeed."

"I am better physically and mentally at this moment than I have been since boyhood."

"I beg to remain, yours respectfully, C. F. Campbell, 263 Washington St., Boston, March 18, 1904."

For 18 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world. Several years ago the formula was sent to every registered physician in the United States. It is constantly prescribed by physicians.

Think for a moment what this means and remember that Paine's Celery Compound is the prescription of one of the most famous physicians America has ever known—Prof. E. E. Phelps, of Dartmouth University. Paine's Celery Compound is recommended and sold by all reputable druggists everywhere.

Elmer Marshall, candidate for Jailor, has sold out here and is now canvassing the county. Jim Mason has moved to the Marshall farm, Charles Prichard to the Prichard farm and T. J. Tully to the D. W. Tully property.

Our farmers have been watching the daily papers with much interest, but are now rather blue over the failure of their Association. If prices for tobacco continue to drop the farmers should next form an agreement to raise no tobacco until they are assured good prices. This can be done without assistance of millionaires.

Mr. and Mrs. C. J. Simpson are located at Columbus, O., where Mr. Simpson is connected with the C. H. Moore Oil Company.

The union services for the two Churches will be at Mitchell's Chapel. Let every one attend these meetings. They will do you good.

There will be preaching by the Pastor at the Baptist Church tomorrow, morning and night. There will be baptizing at both services.

This is regular meeting night of Joseph Heiser Post No. 13, G. A. R. A full attendance is desired, as business of importance will be transacted.

Our Colored Citizens.

One of the entertaining features of the season was the Martha Washington Silver Tea Party given at the residence of Mrs. Sallie Marshall for the benefit of the Bethel Sewing Circle. Everything was elaborately arranged and many were attired in Colonial costumes. All expressed themselves as being highly entertained by the hostess.

For an Impaired Appetite.

Loss of appetite always results from faulty digestion. All that is needed is a few doses of Chamberlain's Stomach and Liver Tablets. They will invigorate the stomach, strengthen the digestion and give you an appetite like a wolf. These Tablets also act as a gentle laxative. For sale by all Druggists.

The river at this point is 17 feet on the gauge and falling slowly.

The appellee in the suit of Bevis v. the Vanceburg Telephone Company, taken up from Lewis county, yesterday filed a brief in the Court of Appeals.

Judge C. E. Booe of Flemingsburg has been made Assistant State Auditor, succeeding Judge Day of Louisville. Judge Booe has been Chief Clerk in the Claim Department.

Champion Liniment For Rheumatism.

Charles Drake, a Mail Carrier at Chapinville, Ohio, says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy, and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief, and its continued use for a short time will produce a permanent cure. For sale by all Druggists.

SAY!

You people who have been buying river coal all winter, have you noticed your pile lately? It's going down mighty fast, isn't it? Well, now, that is caused by the ice in it melting. In our coal you don't get any of that. You get nothing but nice, clean coal arriving from the mines most every day. Then our coal is worth a trial, isn't it? Call up 69 and we will tell you more about it. Remember, we also handle Salt, Sand and Baled Hay.

Yours truly,
W. R. DAVIS,
Limestone Street.
